***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest a "retractable holder is separate from said flexible PWB when said retractable holder is held by said holding device in an operational position in which said retractable optical element is on said optical axis; and wherein said retractable holder presses said flexible PWB in a radial direction of said linearly movable ring from an inside to an outside of said linearly movable ring and supports said flexible PWB when said retractable holder is moved to a radially retracted position by said retracting device such that said retractable optical element retracts to said position that deviates from said photographing optical axis" in combination with the remaining claim elements as set forth in claims 1-13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David M Gray whose telephone number is 571-272-2119. The examiner can normally be reached on M-T 7:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on 571-272-2258. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
